Last Saturday and Sunday (13th & 14th of May), a fledgling Hunting Retriever Club (**KC-HRC**), launched it's first ever Retriever Hunting Tests at Smithville Lake. It was a lot of fun and very successful for a number of our KCRC members.

Once again Matthew Huff is in the spot light. You remember the 8 year old who won the Senior puppy stake in February? Well, he and his partner Jazz have added another accolade to their growing list of accomplishments. Matthew and Jazz qualified both days in the Started category to receive the Started or HR title for Jazz. Matthew's dad, Chad and his dog Roxie, (Jazz's mother), qualified both days to earn the Seasoned or SR title for Roxie. Tug and I qualified both days in Seasoned and Aenghus and I qualified both days in Started. Mike Brigman qualified on Saturday with Molly in the Seasoned but Molly injured her foot and couldn't compete on Sunday. Bill Cook and Molly, qualified both days at the Finished level and garnered the HRCH title for Molly. Greg Bell was there with his HRCH Dixie and qualified on Saturday. Dan and Missy Heard were running around and helping out and Anthony Piranio was seen running Rocky! There were two Missouri Conservation Agents running as well, Kevin Pauley from Pettis County and his brother Ken Pauley from Lynn County. Both of their dogs qualified on Sunday. They made sure none of us were over our limit!!

These tests were a lot of fun and there seems to be something happening all the time! When you title a dog in HRC events there is a traditional of pouring water over you. Our titlists lucked out as there was no cooler available but there was plenty of bottled water to pour down your back! (Matthew shows us the after math above-Chad is laughing but he did not escape the ritual).

I might add here, that Bill Cook left early, before titles were awarded, Hum?

I may follow his lead when/if I title my guys!
