**Jim Carlisle with AMATEUR Winner “Schatzie”,
and JAM recipient “Zoom” and Loren
Morehouse with RESERVE JAM recipient “Dart” at
the conclusion of the Topeka Retriever Club Field**

The Kansas City R.C. Fall Licensed Field Trial was held October 15-17, 2004 at the Westfall ranch near Milan, Missouri. Many thanks to the Westfall's for allowing us to use the grounds. The weather fortunately cooperated and the trial went off with very few hitches. Thanks to all that helped make this event the success that it was. Hopefully all of the owners and handlers had a good time and will come back in the near future. The results of the trial are listed on **Page 4 and 5**. They are also on the Web site, www.kcrc.net under “Field Trial”.

Before scratches, there were 108 Open entries, 62 Amateur entries, 38 Qualifying entries, and 33 Derby entries. Needless to say it kept many key workers hopping to make everything flow smoothly.

Again thanks to all that lent their time and energy to make this a very successful field trial.
